**ORDER :**

Government vide reference 1<sup>st</sup> read above, have issued orders revising the end consumer price of PDS Kerosene from Rs. 9.50 per litre to Rs. 9.75 per litre in view of the enhancement in the margins to the wholesalers and retailers and transportation charges, based on the recommendations of the committee dated 30.12.2002.

The A.P. Kerosene Wholesale Dealers Federation, vide reference 2<sup>nd</sup> read above, has represented that the Committee made a mistake by taking the diesel oil base price of Rs. 18.40 per litre instead of taking the base price of Rs.15.57 per litre and recommended only 11.52% increase across the table. It was also represented that the report dt. 30.12.2002 was accepted and implemented only from 10.10.2007. Ignoring these anomalies and after a lapse of 5 1/2 years by which time the price of HSD Oil has gone upto Rs. 33.80 per litre. Hence, they have requested to consider their request and do justice.

The matter has been examined by the Government and it has been decided to constitute a Committee to examine the request of the Federation as stated above to review the revision/increase in transport charges of the PDS SKO and rectification of certain anomalies and inadequacies of G.O. 1<sup>st</sup> read above.
